

WE DELIVER MORE™

SOLAR | BATTERY | ROOFING

Solar Optimum is an award-winning, elite-certified energy provider, installing only USA-made products to homeowners in California, Nevada, Arizona and Florida.

WE DELIVER

RELIABLE POWER. MADE IN THE U.S.A.

ENERGY PRODUCTS

Maximize your home's solar investment with Solar Optimum. We deliver superior energy production and long-term value by using premium, American-made solar panels, inverters, racking, and battery storage, backed by our expert installation and unwavering commitment to quality. For reliable power using products only made in the USA, choose Solar Optimum.

WE DELIVER

ON TRUSTWORTHINESS

HIGHEST LEVEL OF ELITE CERTIFICATIONS

We are the only installer with the highest level of Elite manufacturer certifications from industry-leading brands like QCells, Enphase, Unirac, Tesla Energy, GAF and CertainTeed, proving that we perform our job with integrity, trust, and reliability.

WE DELIVER

EXCEPTIONAL WARRANTIES

UNMATCHED 25-YEAR, 6-POINT WARRANTY GUARANTEE

Our installations are designed to overproduce – and we are transparent as daylight with everything we do. That's why we are able to offer unmatched, industry-leading 25-year warranties for residential installations on panels, microinverter, workmanship, roof, racking, and performance guarantee.

WE DELIVER

AN AWARD-WINNING REPUTATION

#1 IN SOLAR POWER WORLD RANKINGS

Solar Optimum has been named #1 California Solar & Storage Installer EPC* in the 2024 Solar Power World Rankings.

*EPC, Residential & Commercial Sector

2024 & 2025 ENERGYSAGE INSTALLER OF THE YEAR

EnergySage has recognized Solar Optimum as the 2024 and 2025 Installer of the Year in the Western Region. This prestigious award is based on several key factors including superior customer service, consistent positive consumer reviews, vetted track record on EnergySage.com and dedicated years of partnership.

NAMED 5-TIME NATIONAL SOLAR INSTALLER OF THE YEAR (2020-2024)

Solar Optimum has been named National Solar Installer of the Year for five consecutive years— an award no other solar installer in the U.S. can proudly claim!

WE DELIVER

CUSTOMER SATISFACTION

A+ REPORT CARD ON REVIEWS

We are a customer-centric company, and we know that putting the customer first is the only way to do business. Since 2008, we have consistently delivered on exceptional customer service. That's why we rate as an A-plus, 5-star installer across all consumer review sites.

WE DELIVER

ENERGY PEACE OF MIND

HOME BATTERY STORAGE

We are among a select group of solar energy providers who are premier certified dealers and installers of both Tesla Powerwall and Enphase IQ Home Batteries. Our mission is to help homeowners become energy independent, and offering the best storage solutions on the market is a big step in reaching that goal.

WE DELIVER

ENERGY EFFICIENT ROOFING

GAF MASTER ELITE AND CERTAINTEED CERTIFIED

Solar Optimum has constructed a team of highly skilled and experienced roofing installers. We offer the best roofing products in the industry for full and partial re-roofing projects. We are proud to have been named the 2024 GAF President's Club Award Winner, in addition to being a GAF Master Elite Contractor— an honor only shared by 2 percent of roofing contractors in the entire United States.

WE DELIVER

SOLID EXPERTISE

THE ENERGY EXPERTS

Since 2008, Solar Optimum has served the energy needs to thousands of homeowners and businesses. We have installed well over 550+ MW of solar and battery storage projects.

WE DELIVER

HIGHER PRODUCTION

8% MORE PRODUCTIVITY

We know what it takes to design and install a dependable, highly efficient solar system. Our engineers have routinely designed complete systems that yield as much as 8% more productivity than was guaranteed by our individual component manufacturers.

WE DELIVER

ON RELIABILITY

A RECORD 95% FIRST-TIME INSPECTION APPROVAL

Our deep experience, reliable workmanship, and elite certifications are all products of our relentless pursuit of getting it right the first time. This mindset has earned us a prestigious reputation in the industry—which is proven by our 95% first-time inspection track record!

Solar Optimum's Referral Program is simple & easy!

Refer-a-friend and you'll earn up to
\$500 cash* for each referral.

Start referring now by downloading
our FREE Solar Optimum app at
SolarOptimum.com/Referrals
or scan the QR code below

****New customers only.** Referral rewards are non-transferable and will be paid out once a contract is signed, solar installation is complete, account is paid in full, and approved by the city. Any referral deemed duplicitous will be disqualified from this reward program/promotion. Self referrals and return customers do not qualify for a referral reward. To be a valid referral, Solar Optimum must be provided with the name and contact information of the referring party at the time the original appointment is booked, otherwise, the referral reward does not apply.

A Referral Reward only qualifies for customers that install a solar system, solar system with battery storage or full re-roofing. Customer referrals generated from EnergySage.com will ONLY qualify for a \$250 referral reward with no exceptions. Battery-only referrals do not qualify for the \$500 Referral Reward Bonus. Currently there is no referral reward for battery only.

All information shared between Solar Optimum, Inc., and the individual making the referral will be kept confidential. The original terms/conditions of the referral reward promotion are not applicable when combined with other special promotions or offers when the referral party signs a contract for a discounted promotion or rate.
